Office Memorandum • UNITED STATES GOVERNMENT

TO

Administrative Assistant,

Management Staff

DATE: 10 September 1957

FROM

Suggestion Awards Staff

STATINTL

SUBJECT:		Memorandum	dated 6	September	1957	en	Killian	Committee
	Aid	•		•				

This Staff has long advocated a proposal that the Civil Service Commission, as administrators of the Federal Suggestion Awards Program, arrange for more frequent meetings of Incentive Awards Officers of the various Government Agencies and Departments to exchange ideas and experiences which would be mutually beneficial. We think the current exchange of literature on the program should supplement these STATINTL meetings rather than substitute for them.
